A Legacy of Architectural Artistry

Binghatti Holding Limited is a vertically integrated real estate developer founded in 2008 with roots as a contractor before transitioning into full-scale development. Leveraging in-house design, development, construction and delivery capabilities, the Group stands out as one of Dubai's most avant-garde private developers, operating across the full market spectrum from affordable housing to ultra luxury branded residences.

With a total portfolio exceeding 80 projects valued at over AED 80 billion, Binghatti has delivered more than 50 projects to date and maintains a robust pipeline of approximately 30 million square footage of sellable area.

Binghatti delivers across the housing ladder from affordable and mid-market homes to premium and ultra luxury branded residences differentiating itself through design led products, branded collaborations and a consistent focus on customer outcomes. The developer's contractor heritage underpins its operational agility and ability to scale across segments.

Sustainability is embedded across Binghatti's developments through energy efficient technologies, responsible materials selection and long-term value creation strategies that enhance returns for stakeholders and liveability for residents.

Founded on contractor roots and built around a vertically integrated model, Binghatti Holding continues to expand its real estate portfolio to meet growing market demand, delivering quality projects across every market tier while prioritising design, delivery excellence and sustainable outcomes.

Binghatti Hillcrest

Safety, spaciousness, scenery.
A community in balance.

A New Geometry of Grounding

Hillcrest offers a thoughtfully designed low-rise residence that feels grounded and calm. Its flowing shape allows ample natural light and opens toward the green spaces of the neighbourhood. With modern design, expansive windows and clean lines, it creates a lifestyle that is more connected to nature. It's a place perfectly balanced between energy and peace.

The Architecture of Equilibrium

More than ever, there is an imperative for Equilibrium. This is the precise, rare balance between city energy and private stillness. Hillcrest is a place of balance, where the energy of the city meets peaceful calm. Rising above the quiet horizon of Arjan, its gentle curved design stands apart from the straight lines around it.

ABOUT

HILLCREST

Hillcrest is a five-story residence in Arjan, designed around modern, family-focused living. It features over 322 well-planned units. The development is set on a spacious plot that promises both comfort and convenience. It also includes 28 exclusive retail shops on the ground floor.

Crafted with Precision, Designed to Inspire

Hillcrest is a testament to Binghatti's uncompromising standards of quality and craftsmanship. We embrace energy-efficient building practices and utilise sustainable, high-end materials throughout. Each residence is a reflection of lightness and grace. It's an intentional environmental balance, with enduring value that will define your home for years to come.

In this city, composure
reigns supreme.
The strategic placement of
self, the calculated stillness.
THIS IS EQUILIBRIUM

The Art of Quiet Luxury

Step into a life where the pace is measured and the focus is on family. Hillcrest is designed to nurture a quiet confidence. It is an environment in the flow of family life - flourishing and well-lived. Your lifestyle shifts from the rush to the richness of your privacy. The quiet echo of laughter and the gentle rustle of leaves replace the weight of the city.

Connected to the City, Grounded in Ease

Hillcrest offers effortless connectivity to every corner of Dubai. The location provides quick access to major road networks: Sheikh Mohammed Bin Zayed Road, Shaikh Zayed Road, Umm Suqeim Road and Hessa Street. Key areas such as Dubai Hills, Dubai Science Park and Motor City are minutes away. The area is further well-positioned for future growth, with Metro expansions and infrastructure upgrades enhancing connectivity and property value.
