

The logo for GÜZEL TOWERS is centered on a dark, abstract background with flowing, wavy lines. It features a stylized icon of three vertical bars of increasing height to the left of the word "GÜZEL" in a large, bold, serif font. Below "GÜZEL" is the word "TOWERS" in a smaller, all-caps, sans-serif font.

GÜZEL

TOWERS

BY TIGER PROPERTIES

Tiger Properties is a leading real estate development company in Dubai. Tiger Properties has over 270+ towers, including residential, retail, and hospitality. Presenting our new architectural jewel in Jumeirah Village Triangle.

An architectural rendering of the Güzel Towers, featuring two tall, modern skyscrapers connected by a central swimming pool. The towers have a distinctive, stepped design with many windows. The base of the towers is a curved, glass-fronted structure. The scene is set at night, with the towers illuminated. In the foreground, there are palm trees, a road with cars, and a few people walking. The overall style is a high-contrast, black and white line drawing with selective color highlights.
