MONACO MANSIONS 7

URBAN NIRVANA BY THE WATER

Spanning four thoughtfully crafted floors, these mansions are positioned in a continuous band along the outer perimeter, with the lagoon on one side, granting prime access to surrounding greenery and an abundance of privacy and scenic views. A marvellous fusion of water, light, and gems – they embody grand living while inclining toward the architectural ethos and design language of the modern era.

FEATURING

- Inspired living portraying designs that fuse elements of water, light, and gems
- Fully-furnished mansions with opulent designer pieces

FINISHING MATERIALS

The mansion's design layers unfurl an elegant fusion of natural materials like grey marble, brushed brass, oak wood, and rock, paired with dynamic visuals of flowing water, rough stone textures, crystalline glasses, artistic pieces that mimic natural forms and marble patterns, imbuing objects with profound meaning.
