

A surreal, painterly scene featuring three deer in a dark, ornate interior. Two deer stand on the left, looking towards the center, while a third stands on the right, looking out a large window. The room is filled with numerous colorful butterflies. The lighting is dramatic, with light streaming in from the window, creating a magical atmosphere.

HERE, NATURE TRANSFORMS INTO A STATE OF MIND.

This project embodies a sense of infinite freedom, flowing through every moment. It's a constant presence that nurtures your spirit and connects you to the world around you.

A PRESTIGIOUS DESTINATION

Where contemporary design and natural landscapes coexist in perfect harmony.

Talea rises in one of Dubai's most exclusive and dynamic areas, Dubai Maritime City, within a newly envisioned Forest District designed as part of a visionary master plan. At the heart of this transformative Haven, Talea will be one of several interconnected towers, seamlessly linked by scenic pathways. Surrounded by a thoughtfully crafted landscape of vibrant greenery, it offers panoramic views of the Dubai skyline and the open ocean, perfectly blending modern living with its natural surroundings.
