

THE F1FTH TOWER

Object 1

Dubai Is a Gallery,
and Buildings Are Showpieces

The Fifth is the anniversary and the highest project of Object 1 at the moment. The building boasts 36 floors and features a beautiful concept — family fun without leaving home. Everything here is designed so that neither children nor adults get bored: pools, a creative children's playground (one of the best in JVC), a barbecue area, a game room, and, of course, gorgeous landscaping.
