

THE WOODS

AT SOBHA SANCTUARY

SOBHA
REALTY

A person is in the foreground, sitting on a lawn in a meditative pose with their hands in a mudra. They are wearing a gold ring on their finger. In the background, other people are also sitting on the lawn, some in meditative poses, suggesting a yoga or meditation session. The scene is outdoors with lush green grass and trees in the distance.

The Philosophy behind

A complete environment shaped
through distinct layers of wellbeing:

NATURE

Nature is woven through Sobha Sanctuary as
an everyday presence.

WATER

Water shapes the atmosphere as its presence
carries through the community, creating a
sense of ease.

WELLNESS

Wellness feels natural, supported by design,
space, and movement.

COMMUNITY

A destination to carry daily life, shared
moments and a sense of belonging.

*What to
expect within Sobha
Sanctuary*

Human connection at the core

RESIDENCES OVERVIEW

A masterplan designed to hold life at scale, without losing its sense of quiet. Sobha Sanctuary is to bring together **~20,000 families** while being shaped around nature, balance, and daily ease.

Social Gathering

Social life unfolds across community hubs and shared courtyards, with event lawns and open gathering spaces. Amphitheatre settings create moments worth sharing, while co-working spaces and multi-purpose halls support the rhythm of everyday connection.

Family

Family life is enriched by a vibrant social club and a thoughtfully curated mix of children's play spaces, family zones, and youth-friendly areas. Daily routines feel effortless with walkable retail close at hand, while farmers' market experiences bring a sense of freshness and vitality.

Pets

Pet wellness is seamlessly integrated into the community through dedicated therapy gardens and play zones.

*Nature immersion,
restoration, and
balance.*

Nature leads the experience across Sobha Sanctuary, with **~50% open and green spaces** flowing through every zone, anchored by a **~800,000 sq. ft. park.**

Sobha Sanctuary's green corridors flow through forest walks and shaded trails, leading into botanical gardens and sensory landscapes. Along the way, create moments of stillness, perspective, and connection with the environment.

Wellness built into the day

Wellness at Sobha Sanctuary is designed to feel natural, supported by space through a **~5 km leisure loop** that invites recreation, exploration, and everyday movement. A **9+ km wellness loop** is also purpose-built for walking, cycling and a myriad of health-focused activities.

Outdoor fitness zones

Open-air training spaces, sports courts, and a full-size football field, tennis court, and cricket ground make everyday activities effortless, while inclusive wellness areas for seniors offer a relaxed setting for gentle routines and meaningful social connection.

Meditation lawns

Serene enclaves are woven throughout the landscape, unfolding into Zen rock gardens and forest trails. Hammock courts and reflexology paths invite unhurried moments to pause, reset, and return to the day feeling lighter and more grounded.

A large, modern residential complex with multiple stories and glass facades. In the foreground, there is a large, curved swimming pool with a sandy beach area. People are relaxing on lounge chairs, and children are playing in the sand. The background is filled with lush greenery and more buildings under a blue sky with scattered clouds.

A Refined Expression of Water Spaces

A composed sequence of water-based spaces, including a hydrotherapy facilities, saunas, and steam rooms, forms an integral part of the community's shared environments, designed to support daily life with quiet consistency.

A man and a woman are practicing yoga in a serene outdoor setting. They are standing on a wooden deck, each on an orange yoga mat, in a warrior pose with arms extended horizontally. The man is wearing a blue t-shirt and shorts, while the woman is wearing a pink tank top and purple leggings. In the background, a calm pond reflects the sky, with several white swans swimming. Lush green trees and bushes surround the pond. In the distance, modern multi-story apartment buildings with large windows and balconies are visible under a soft, hazy sky. The overall atmosphere is peaceful and suggests a high-quality lifestyle.

A landscape defined by water

Create moments of pause, while water sculpture plazas introduce a sense of reflective calm. A vibrant splash pad brings playful energy for all ages. At its heart, a beach lagoon offers a relaxed, resort-style retreat, shaping landscapes designed for calm, delight, and retreat.

A vibrant, futuristic urban scene. In the background, a multi-story building with a curved facade and large glass windows stands behind a dense line of mature trees. A yellow and black drone with a white box labeled '0820' is flying in the sky. In the foreground, a woman in a green jacket and blue jeans walks on a red-tiled path, carrying a brown paper bag. Beside her is a sleek, silver humanoid robot. To the left, a curved structure with the word 'PARK' is visible, and several people are sitting at outdoor tables. The overall atmosphere is bright and modern, with a focus on sustainable urban living.

Sustainability at Sobha *Sanctuary* is a framework

From smart mobility and ~20km of connected cycling networks to sustainability, it is all woven throughout the masterplan. Extending across infrastructure, community spaces, and homes, integrated systems seamlessly minimize environmental impact.

Located within landscaped corridors

The Woods is set on one of the most coveted plots within the masterplan, framed by expansive parks at both the front and rear. With uninterrupted green vistas along its longer edges, adjoining townhouse communities, and proximity to a key educational institution, its location is both rare and highly connected.

This unique positioning shapes every design detail, where panoramic views, seamless green links, and a sense of openness come together to create an atmosphere of calm exclusivity.
