About

SOBHA
REALTY

Built from Within. Designed to Endure.

For nearly half a century, Sobha Realty has been guided by a quiet belief: what is built to last must be shaped with patience, and what truly matters must remain under one's own care.

Founded in 1976 in Oman as the vision of Mr. PNC Menon, Sobha was shaped through the disciplined creation of palaces, royal residences, and sacred landmarks across the Gulf, including the Sultan Qaboos Grand Mosque in Muscat, where precision was never an embellishment, but a responsibility.

From this lineage emerged Sobha's pioneering Backward Integrated philosophy, drawing design, engineering, manufacturing, and construction inward, so that every element is resolved at its source with clarity and intent.

As Sobha approaches its fiftieth year in 2026, this philosophy remains unchanged. Because true luxury is not defined by first impressions, but by how a place continues to feel - year after year.

The Art of Detail

Where precision becomes a form of care.

Details are not decoration.

They are architecture for the senses.

In a life that never slows,
Days that blur into one another,
Noise that grows louder,
Somewhere beneath the
surface of it all,
we forget to answer the most
important question:

How does
it feel to
be
fully alive?

Think of a place where, the moment
you step in, the pace softens.
Not as an escape from life, but as
a space to finally breathe.

And in the calmness,
time stretches and
meaning fills the air.

Where life unfolds in quiet
harmony with nature
and **50,000+ trees**
rise around you,

wrapping
your world
in green.

Sanctuary /sæŋk.tu.er.i/
(noun)

A place of serenity, where life slows and clarity returns. A space designed for calm, comfort, and restoration - not away from life, but deeper within it.

Imagine
nature as your
everyday

Not something you visit. But something
that lives around you, and gently resets
the way you feel.

Imagine water as a daily rhythm.
A sense of freshness built
into the day.

Cooling, calming, restoring,
like balance that arrives
without effort.

Imagine wellness as a way of living

Movement that feels natural, and
stillness that is always within reach.
A life composed in perfect balance.

A woman with dark, wavy hair is lying down, her eyes closed in a peaceful expression. She is resting her head on her right hand, which is propped up. She is surrounded by dense, vibrant green foliage, with long, slender leaves framing her face and body. The lighting is soft and natural, creating a serene and intimate atmosphere.

Imagine connection that feels easy

A place designed for every season of life,
and every expression of home.
A community you belong to.

A modern, multi-story house with a swimming pool and outdoor furniture. The house features large windows and balconies. The pool is in the foreground, and there is outdoor furniture including lounge chairs and a sofa. The scene is set in a tropical environment with palm trees and lush greenery.

Then imagine what that means for the entire family. Fewer compromises. More comfort. A place where every member belongs, and every detail, even the smallest, supports the feeling you came here for:

A life that
feels complete
from within.

A person is in a yoga pose on a green lawn, with another person in the background. The scene is outdoors with trees and a path in the background.

An architectural rendering of the Sobha Sanctuary development. The scene features several modern, curved high-rise buildings with glass and light-colored facades. In the foreground, a large, mature tree on the left has a woman sitting in a wicker swing hanging from its branches. A lush green park area is filled with people: some are sitting on the grass, others are walking, and a group of children is playing with colorful balloons. A small pond with a fountain and several white swans is in the lower center. The sky is bright and slightly hazy, suggesting a sunny day.
