SANCTUARY CARVED IN COMFORT

This ground-plus-9 floors residential development offers a considered living experience across well-defined levels. The ground floor features a reception lobby, a retail showroom, and parking. The first and second floors are dedicated entirely to resident parking. The third floor introduces apartment living and a podium level with a swimming pool and a dedicated kids' play area. From the fourth to the ninth floor, residential apartments are arranged to maximise comfort, privacy, and functional use of space.
